

Modern Healthcare BEST PLACES TO WORK™ 2019

I'm pleased to report that KeyBridge Medical Revenue Care has been named a **2019 Best Places to Work in Healthcare** by *Modern Healthcare* magazine. This is quite an accomplishment and **places KeyBridge among the most elite healthcare organizations** across the country including the Cleveland Clinic, Parkview Health and the Oklahoma Heart Institute.

At KeyBridge, our culture is built upon a foundation of our core values. Our one-of-a-kind company culture is what allows each and every one of us to be **THE BEST** we can be. And when each of us is performing at our very best; LOOK OUT - there is no limit of what we can accomplish together!

Our placement on this year's list means that our employees have delivered high engagement scores - giving KeyBridge top ratings on issues such as communications, leadership and opportunities for learning, and demonstrating their ongoing commitment to fulfilling our mission: "To be the industry leader in employee, client and patient satisfaction."

Modern Healthcare has published the alphabetical list of Best Places to Work in Healthcare and will announce the winners' specific rankings in September.

Congratulations - and I thank every member of our dedicated team for everything YOU DO to make KeyBridge a great place to work.
